

Special session 5-17-13

6:35

Roll call Dave Locke, Gohar Wise, Steven Morgan, Jennifer Miller, Kacie Foelschow, Katharine Carpenter, Lonny Watermulen not present.

Pledge and Kqa code of honor

School year end operating requirements: Katharine called session so we can decide to what to find out if there is a financial means to sustain for the custodians to have work in June.

Gohar Wise said we are over budget by 2.7 % but there are areas that we will not reach 100% that we may be able to take money from. We need them to do this work to hold this value.

Katharine Carpenter motions to bring the custodians in for 3 weeks to clean the school and get the grounds up to par. Second by Gohar Wise

Dave Locke: there was a vote to keep the budget with this in mind.

Gohar Wise said the vote was not to keep at line item by line item.

Dave Locke it was to be kept non emotional but we do need to keep the school up.

Katharine Carpenter pointed out that we are advertising and we need to be presentable and we also didn't have cleaning done during holidays to stay within the budget.

Steven Morgan says it is not the job description of the custodians to do outdoor maintenance.

Dave Locke asked is there work to do to justify.

Katharine Carpenter said the gym floor takes a week, and the carpets need done, and painting.

Steven Morgan said the custodians at the high school say they have plenty of time to do the work.

Kacie Foelschow says Sue was very upset about not having enough time to do all the work that needs done.

Katharine Carpenter says we have to realistically look at it that if they have to find a new job we will lose them.

Linda joins the conversation by phone. Were there any hourly that went over. Linda says not that she is aware of that you would have to ask Gohar.

Teachers need to get into their classrooms to come in July. We have not done any huge deep cleaning. We had a lot of sick kids this year. We need painting done. We will throw our money away because outsiders aren't vested in the school. We don't get deep cleaning done till people are not in the building. There is a fair amount of work to give them.
